## RIVERIA

### Monday 23.11 10.00 - 12.00

open discussion 13.00 - 15.00

**Ville Parkkila** and **Janne Pussinen** are graduating students at TAMK Proakatemia and team entrepreneurs. Ville has gathered experience as a coach in many different coaching projects, many of which have been for educators at both secondary and tertiary levels. The goal of the projects has been the transformation from purely teaching to coaching and through professional coaching to enable students to receive a positive team learning experience. Janne has led multiple teams on many different projects, from startup events to innovation competitions.

### Tuesday 24.11 10.00 - 12.00

open discussion 13.00 - 15.00

**Esa Salonen** Team entrepreneur / Senior year student and former representative of international relationships at Team Academy Jyväskylä. Has been awarded by Team Academy community for team building and being an inspiring enthusiast. Passionate about learning organization, dialogue and learning by doing.

**Veikka Kurkinen** Team entrepreneur, entrepreneur, a second year student at Team Academy Jyväskylä. Background in sports coaching has brought him sports-like approach to team learning and building a good atmosphere for working and learning. Veikka leads many kinds of project teams both in Finland and internationally and is passionate about peer learning and learning by doing.

### Wednesday 25.11 10.00 - 12.00

Hear how we are doing it in Riveria, Vocational Education and Training Center

**RIVERIA** is one of the largest vocational education and training (VET) provider in Finland. Riveria organises vocational upper secondary, further vocational and specialist vocational qualifications, also liberal adult and summer university education. The area of operation covers the entire region of North Karelia formed by the 12 municipalities, the owners of Riveria.
